

Entitlements and Buyer Created Invoices

Entitlements have now been sent out for Quarter 2 to those workplaces eligible to receive funding for credits reported and qualifications achieved between 01 April and 30 June.

We have also recently received approval from the IRD for our Buyer Created Invoices, which are designed to reduce administration costs for customers. If you have received an invoice recently and have not yet signed and returned it to us, we will be happy to generate a buyer-created invoice for you and pay the money into your account. If we do not have your bank account details or GST number we will be contacting you.

If you have any queries please contact Kath Kitney, Customer Services Manager on 04 815 9820 or email Visit kath.kitney@attto.org.nz
